

# Rochester Map Adventure 2021

## ROC the MAP!

Saturday, June 5, 2021

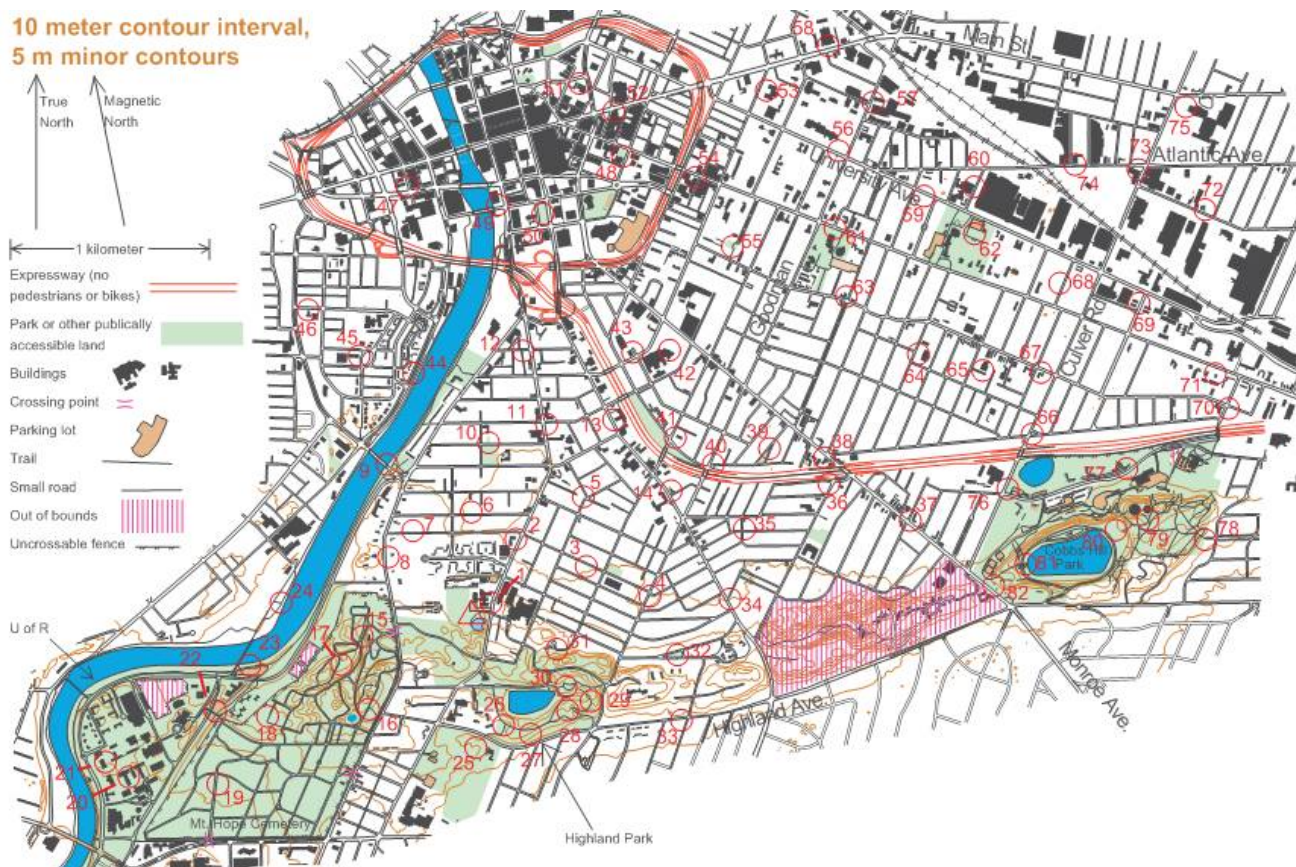

3 or 5 hours of adventure!

**Starting Location:** Abundance Food Co-op, 571 South Avenue, Rochester, NY 14620

Would you and a friend or family member enjoy spending a Saturday afternoon searching the city for locations that have some interesting facts or trivia?

If this sounds like fun then why not plan to join the Rochester Orienteering Club for the eighth ROC the MAP Rochester Map Adventure?

Map from a previous Rochester Map Adventure:

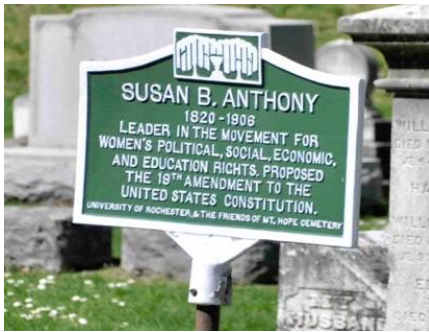

Teams and individual hikers and runners will receive detailed maps of a large portion of the city including the South Wedge, Highland Park, Mt. Hope Cemetery, Corn Hill, the Park/East Avenue area, and the Neighborhood of the Arts. The maps will have circles drawn on them indicating the exact locations of the trivia points.

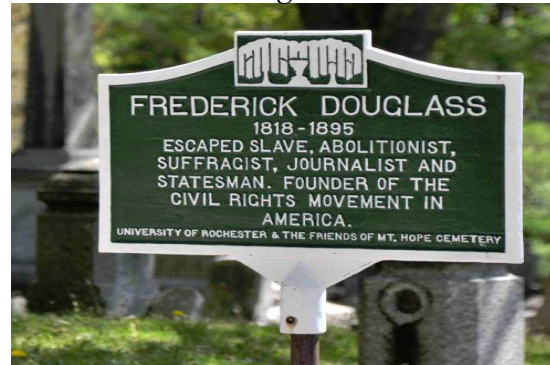

At each circle marked on the map, participants will have a question which can readily be answered by information visible.

Example questions from a previous event are shown on back.

*What is last, on the list of women's rights that Susan B. Anthony fought for?*

*What is the fourth of 5 terms describing Frederick Douglass?*

A number of things have changed due to COVID. This meet is no exception. Changes include:

- No mass start. People will be assigned times to show up and to start. People in the 5-hour category will start before people in the 3-hour category.
- No bikes allowed. This is not due to COVID, but to a change in insurance rules.
- No food will be provided before or after the meet.
- No results available the day of the meet. They will be published on the ROC web site as soon as possible.
- Advanced registration is required. There is no day-of-meet registration.
- The start and finish will be in the parking lot across the street from Abundance. Meet participants have the OK to use the restrooms in Abundance, and of course are encouraged to patronize the store, but none of the usual pre-meet and post-meet activities will happen inside Abundance.
- Entry fees have been reduced, due to the lower-key nature of this event compared to past events.

For more information and to register, see: [roc.us.orienteeing.org/RMA2021](http://roc.us.orienteeing.org/RMA2021)

Registration will be online. Details soon!

Event Schedule:

- First starts – 10:00 am
- Entrants will be told of their start time the day or two before the meet.
- 30 minutes before their start time, they can pick up their map(s).
- One minute before their start time, they pick up the question/answer sheet, wait a few seconds for their actual start time, then head out.
